## RUE DE PARIS

AOC Bordeaux - Rosé - 2023

### LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The Bordeaux rosé appellation wines are made using a short skin contact of just a few hours; the juice, free of tannins, is then vinified like a white wine. Bordeaux rosés are supple with fruity aromas, fresh, elegant and long on the palate.

### PRESENTATION

Rue de Paris is an invitation to discover the classic Parisian style: a romantic walk in the streets of Paris, a bohemian picnic by the Eiffel Tower or a glamorous dinner cruise on the river Seine.

This wine is a tribute to two of France's most iconic cities, blending the vibrancy of Paris with the deep-rooted tradition of Bordeaux. And every time you raise a glass, you're transported to that quiet Parisian street, with the Eiffel Tower watching over, and the spirit of Bordeaux in every sip.

### WINEMAKING & AGEING

The grapes are harvested early in the morning to avoid strong heat. Rapid destemming and crushing of the grapes. Short skin contact of a few hours. Pressing of the grapes. The must obtained is cold settled before the alcoholic fermentation. This continues until all the sugar is used up, to provide a dry wine. It takes place with temperature control in the presence of yeasts selected according to the required profile. Ageing on fine lees.

### VARIETALS

Cabernet franc 100%

### FOOD PAIRINGS

Serve at between 10 and 12°C with skewers, grilled meats or seasonal salads.

### TASTING

Clean pale pink colour. Expressive nose of fresh fruit. Lively on the palate with fat, full and aromatic. A fruity, elegant, well-balanced wine carried by its good freshness.
