ESPRIT D'ARNOZAN

AOC Bordeaux - Red

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The tide, which flows up both of the region's rivers, brings very specific characteristics to the wines. With its huge size, Bordeaux reds offer an infinite palette of flavours and combine their qualities in myriad different ways.

PRESENTATION

Cours Xavier Arnozan is the historic and strategic home of Bordeaux wine merchants. Linking the centre of Bordeaux with the quai des Chartrons, an important commercial port in the 17th century, merchants based themselves here to export to many foreign countries where the wines of Bordeaux were already appreciated. Discover the world of Arnozan through its complete palate of appellations: Bordeaux dry white, Bordeaux rosé, Bordeaux red, Bordeaux supérieur, Côtes de Bergerac moelleux (sweet), Médoc, Saint-Estèphe, Lussac Saint-Emilion... and now the red and white Bordeaux Esprit d'Arnozan.

WINEMAKING & AGEING

Destemming and crushing of the grapes. Alcoholic fermentation at controlled temperature using selected yeasts, with around 2 weeks on skins to provide a supple wine. Ageing in stainless-steel and concrete tanks.
