LES CHARTRONS

AOC Bordeaux supérieur - Red

LOCATION

This region consists of limestone plateaux at around 100m above sea level, hence its name "Bordeaux's high country". Wines of the Bordeaux Supérieur appellation are produced the vineyard zone of the Gironde. The wines must conform to rigorous quality criteria and are made from grapes from selected vineyard parcels and older vines. The red Bordeaux Supérieur is characterised by great aromatic complexity combining ripe fruits, floral aromas, spice and often a hint of oak.

PRESENTATION

The Chartrons was the port for the Bordeaux wine business, situated at the edge of the Garonne. In the 17th and 18th centuries, merchants from northern Europe set up there to export the region's wines internationally. The Chartrons merchants spread the fame of Bordeaux wines throughout the world. Our range Les Chartrons has become the ambassador for the wines of Bordeaux thanks to its authenticity and the strong symbolism it carries.

WINEMAKING & AGEING

Destemming and crushing of the grapes. Alcoholic fermentation at controlled temperature with selected yeasts and maceration of the skins. It takes around 3 weeks to obtain a rounded wine with good structure. Part of the blend (about 20 to 30%) is aged in oak to add complexity to the wine's aromas without excessive oakiness.

Merlot 60%, Cabernet sauvignon 30%, Cabernet franc 10%
