CHÂTEAU HAUT MIRAMBET AOC Bordeaux - Red - 2021

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The tide, which flows up both of the region's rivers, brings very specific characteristics to the wines. With its huge size, Bordeaux reds offer an infinite palette of flavours and combine their qualities in myriad different ways.

PRESENTATION

The Mirambet brothers' vineyard is located close to Sauveterre-de-Guyenne, in the heart of the Entre-Deux-Mers. In the 1990s, Stéphane and Christophe Mirambet took over the running of the estate, which had already been in the family for three generations. Their clear objective is high-quality production and respect for the environment.

WINEMAKING & AGEING

Destemming and crushing of the grapes. Thermovinification of part of the harvest to obtain a must rich in colour and fruity aromas. Alcoholic fermentation (controlled temperature, selected yeasts) and maceration of the skins for around 3 weeks to obtain a rounded wine with good structure. Part of the blend is aged in oak to add complexity to the wine's aromas.

VARIETALS

Merlot 65%, Cabernet sauvignon 25%, Cabernet franc 10%

FOOD PAIRINGS

Serve at between 16 and 18°C with meat and cheeses.

TASTING
