CHEVAUX DES GIRONDINS

AOC Bordeaux - White - 2021

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. Wines of the Bordeaux Sec appellation combine the fruit of the Sauvignon with the roundness of Sémillon in a well-balanced blend. A regional appellation covering the entire vineyard zone of the Gironde department.

PRESENTATION

The Girondins fountain, dear to the hearts of all in Bordeaux, is found on the Place des Quinconces. It celebrates the glory of the Girondins and was created by sculptor Dumilâtre. Consisting of 52 tonnes of bronze, the sculpture was erected between 1894 and 1902, and removed during the Second World War by the French resistance to avoid having it melted down to make cannons. It was finally reinstalled in 1982 under the aegis of the Bordeaux Town Hall. Chevaux des Girondins is available in Bordeaux red, Bordeaux rosé, Bordeaux dry white and Bordeaux moelleux (sweet white).

WINEMAKING & AGEING

Mechanical harvesting. Rapid destemming and crushing of the grapes. Pressing. Cold settling of the must. Alcoholic fermentation at controlled temperature until the sugar is used up, to provide a dry wine, in the presence of yeasts selected according to the required profile. Ageing on fine lees.

VARIETALS

Sémillon 60%, Sauvignon 40%

FOOD PAIRINGS

Serve at between 10 and 12°C with fish or soft cheeses.

TASTING

Pale yellow colour with green reflections. Yellow fruit and flowers on the nose. Indulgent palate supported by a lively finish. A classic Bordeaux white.
