MAISON DU LION

AOC Bordeaux - Rosé - 2023

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The Bordeaux rosé appellation wines are made using a short skin contact of just a few hours; the juice, free of tannins, is then vinified like a white wine. Bordeaux rosés are supple with fruity aromas, fresh, elegant and long on the palate.

PRESENTATION

The richness and quality of Maison du Lion derive from the unique character of Bordeaux's terroirs, the experience of skilled winegrowers, and the art of blending passed down through generations. The clay-limestone soils of this exceptional vineyard provide a very aromatic range, adding depth and complexity to each vintage. Maison du Lion offers a bold and spicy Bordeaux red, a fresh and floral white, and a delicate rosé, perfect for moments of togetherness.

With Maison du Lion, savor the essence of Bordeaux and its timeless art of living.

WINEMAKING & AGEING

The grapes are harvested early in the morning to avoid strong heat. Rapid destemming and crushing of the grapes. Short skin contact of a few hours. Pressing of the grapes. The must obtained is cold settled before the alcoholic fermentation. This continues until all the sugar is used up, to provide a dry wine. It takes place with temperature control in the presence of yeasts selected according to the required profile. Ageing on fine lees.
