HONA

AOC Bordeaux - White - 2022

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. Wines of the Bordeaux Sec appellation combine the fruit of the Sauvignon with the roundness of Sémillon in a well-balanced blend. A regional appellation covering the entire vineyard zone of the Gironde department.

PRESENTATION

What better brand than HONA to convey the values of organic wines? A contraction of the french words "Homme" (men) and "Nature", this wine takes up two strong images that are essential in the production of wine.

WINEMAKING & AGEING

Destemming and crushing of the grapes. Alcoholic fermentation at controlled temperature with selected yeasts and maceration of the skins. This step takes about 2 to 3 weeks to obtain a supple, round wine. Malolactic fermentation, then ageing in stainless-steel and concrete tanks.

VARIETALS

Sauvignon 85%, Muscadelle 15%

FOOD PAIRINGS

Serve as an aperitif, with roasted shrimp, scallop ceviche or spaghetti with pesto.

TASTING

Made with respect for the environment within the framework of organic wine regulations, this wine has a beautiful blond colour. The nose is refreshing with notes of citrus and grapefruit. On the palate, we find this aromatic power of citrus fruits which ends on a fresh and elegant final.
