BELLE FRANCE

IGP Pays d'Oc - White - 2024

LOCATION

The IGP Pays d'Oc designation represents wines from the Languedoc-Roussillon region in southern France. Known for its Mediterranean climate, it offers a wide diversity of grape varieties and wine styles, including reds, whites, and rosés. This Protected Geographical Indication guarantees quality and authenticity while allowing winemakers creative freedom. Pays d'Oc wines are celebrated for their fruit-forward profiles, approachability, and excellent value.

PRESENTATION

Belle France emphasizes the romanticism of the French art of living, at once bucolic and sophisticated, carefree and based on true beliefs... those of gastronomy, art and celebration..

WINEMAKING & AGEING

The classic winemaking process for IGP Pays d'Oc wines begins with carefully selected grapes harvested at optimal ripeness. After gentle pressing, fermentation takes place in stainless steel tanks to preserve fresh aromas and fruit purity. Temperature control ensures balance and finesse, while aging may occur in tanks or oak barrels depending on the desired style. This method highlights the region's sunny character and diverse terroirs.
