BIP BIP LE SATELLITE

AOC Puisseguin-Saint-Emilion - Red - 2022

LOCATION

The Puisseguin Saint-Emilion appellation is reserved for still dry red wines. The vineyard is located to the north-east of Bordeaux, 10km from Saint-Emilion in the Libourne region. The rugged landscape consists of a mosaic of vineyard parcels planted on the slopes and the plateau. The vine has probably been cultivated in this region since Gallo-Roman times. The wines are full-bodied, delicious and with powerful tannins.

WINEMAKING & AGEING

De-stemming and crushing of the harvest. The alcoholic fermentation, which lasts about 8 days, is carried out at a controlled temperature with selected yeasts. Regular pumping over. Malolactic fermentation and maturation in stainless steel and concrete vats. The optimal harvest date and the controlled extraction of the tannins allow us to obtain a wine with good body and roundness.

sauvignon 3%
