## CHÂTEAU REYNAUD LACOSTE

### AOC Bordeaux - White - 2022

#### LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. Wines of the Bordeaux Sec appellation combine the fruit of the Sauvignon with the roundness of Sémillon in a well-balanced blend. A regional appellation covering the entire vineyard zone of the Gironde department.

#### PRESENTATION

The vineyard of Château Reynaud Lacoste is situated in Cessac. At 64 metres above sea level, the Engranne stream is the main watercourse that runs through the area. The property belongs to Mr Benoît Lacoste and the vines have an average age of 11 years.

#### WINEMAKING & AGEING

Mechanical harvesting. Rapid destemming and crushing of the grapes. Skin contact for part of the crop followed by pressing. Cold settling of the must. Alcoholic fermentation at controlled temperature until the sugar is used up, to provide a dry wine, in the presence of yeasts selected according to the required profile. Ageing on fine lees.
