CHÂTEAU HAUT BONFILS

AOC Bordeaux - White - 2021

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. Wines of the Bordeaux Sec appellation combine the fruit of the Sauvignon with the roundness of Sémillon in a well-balanced blend. A regional appellation covering the entire vineyard zone of the Gironde department.

PRESENTATION

The place name Bon Fils comes from a family of immigrants who arrived in the Entre Deux Mers after the Hundred Years War. Old dwellings from the period survive to this day, providing evidence for the presence of the Bon Fils family in this area. The vineyard was acquired by the Daraignes family in 1960.
