LES CHARTRONS

AOC Bordeaux - Rosé - 2021

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. The Bordeaux rosé appellation wines are made using a short skin contact of just a few hours; the juice, free of tannins, is then vinified like a white wine. Bordeaux rosés are supple with fruity aromas, fresh, elegant and long on the palate.

PRESENTATION

The Chartrons was the port for the Bordeaux wine business, situated at the edge of the Garonne. In the 17th and 18th centuries, merchants from northern Europe set up there to export the region's wines internationally. The Chartrons merchants spread the fame of Bordeaux wines throughout the world. Our range Les Chartrons has become the ambassador for the wines of Bordeaux thanks to its authenticity and the strong symbolism it carries.

WINEMAKING & AGEING

The grapes are harvested early in the morning to avoid strong heat. Rapid destemming and crushing of the grapes. Short skin contact of a few hours. Pressing of the grapes. The must obtained is cold settled before the alcoholic fermentation. This continues until all the sugar is used up, to provide a dry wine. It takes place with temperature control in the presence of yeasts selected according to the required profile. Ageing on fine lees.
