CHÂTEAU BELLEVUE ROUGIER AOC Bordeaux - White - 2024

LOCATION

Bordeaux is the largest vineyard for appellation wines in the whole of France. Situated in the South West near the Atlantic, it is crossed by the rivers Garonne and Dordogne and enjoys a temperate maritime climate. The richness, the quality and the diversity of its wines derive from the particular character of the terroirs, the experience of the winegrowers and the art of blending. Wines of the Bordeaux Sec appellation combine the fruit of the Sauvignon with the roundness of Sémillon in a well-balanced blend. A regional appellation covering the entire vineyard zone of the Gironde department.

PRESENTATION

Château Bellevue Rougier is situated in Rimons, a small village of the Entre-Deux-Mers, not far from the charming fortified town of Castelmoron d'Albret. This is the smallest village in France, though paradoxically it is located in the Gironde, the country's largest département. The total surface area is only 3.54 hectares, similar to that of place Charles-de-Gaulle in Paris.

WINEMAKING & AGEING

Mechanical harvesting. Rapid destemming and crushing of the grapes. Pressing. Cold settling of the must. Alcoholic fermentation at controlled temperature until the sugar is used up, to provide a dry wine, in the presence of yeasts selected according to the required profile. Ageing on fine lees.

VARIETALS

Sémillon 60%, Sauvignon 40%

FOOD PAIRINGS

Serve at between 10 and 12°C with fish or soft cheeses.

TASTING

Pale yellow colour with green reflections. Yellow fruit and flowers on the nose. Indulgent palate supported by a lively finish. A classic Bordeaux white.
